The Celtic Flock was established in 1999 with the purchase of five outstanding in lamb shearings from the Very Renowned Bailey Flock and has been enhanced every year since with the purchase of Top Class in lamb shearings from Tom Bailey at his annual production sale. Over the years this flock has grown from strength to strength and has developed such a reputation that all males and numerous female are sold directly off the farm to top breeders the length and breadth of Ireland.

At the heart of this great flock are the very renowned sires the £75,000 gns Stockton Almighty, the £45,000 gns Glenisla Sydney and the £70,000 Rheadr Rossi all Edinburgh Champions and the £45,000gns Boreland Buddah who sired ram lambs to £30,000 & daughters to £20,000 and also Sire of Highland Champion 2006 and Reserve Female Champion 2005. Those four sires were the most influential Suffolk Rams across Ireland, United Kingdom and indeed Europe that has ever stood within the Suffolk Breed.

The Celtic Flock are very proud to offer the best batch of in lamb shearings that they have ever bred all sired by and scanned in lamb to the very best sires of the Suffolk Breed.

This is an ideal opportunity for established breeders to purchase outstanding in lamb females which will no doubt greatly enhance the quality of their flocks and for new breeders they will lay the perfect foundation for them to build a Very Special Suffolk Flock.

CASTLEWOOD FLOCK

It is with great sadness that we have come to the decision to sell all flock ewes this year and ewe lambs to be sold next year in lamb. Due to work commitments and moving to a new house we know it is the right decision. We have been breeding suffolks since 2002 and as you can see from the pedigrees, the females we have purchased are from the best bloodlines within the breed today. Over the past 13 years, we have made a lot of friends in Suffolk circles. We would like to wish all breeders and friends the best of luck with lambing in 2016.

The Castlewood flock was established in 2002 with the purchase of two gimmers from the Baileys flock. In 2003 two more were purchased at the Muirensk dispersal and another from Baileys. A choice gimmer has been purchased each year since then from the Baileys flock. In recent years we have made a private purchase from the Cairness flock each year to enhance the gene pool.

In 2004 HJW:C25 was purchased for €3,800, in 2005 HJW:D41 was purchased for €4,000 and in 2007 HJW:J45 was purchased for €2,400. These three ewes form the backbone of the flock. Their offspring being very correct lambs with tight wool, style/head up, good bone and carcass.

In recent years we have enjoyed tremendous success in the show ring. The highlight being in Roscrea 2011 with a son of HJW:J45 by Cairness New Approach. Here we won the Novice Ram lamb class, Open Ram lamb class, Male Champion and Supreme Champion of the show, with judge Charlie Proctor, Conveth flock and Jimmy Douglas, Cairness flock purchasing him for €5,000. In that year we also won the RDS Champion of Champions Award. In 2012 "Castlewood Champion" was first prize Shearling ram at the Highland Show and Reserve Male Champion.

Just recently the Castlewood flock won the flock competition in the North Antrim/East Londonderry Suffolk Breeders Club.

NOTE: NONE OF THESE SHEEP WERE EVER FLUSHED.

Since then we have purchased in-lamb ewes from the top flocks throughout Ireland, England and Scotland. With the use of ET we are in the position to offer top pedigree Suffolk stock for sale.

Other show success include Roscrea 2012 in the ewe lamb class. In the west of Ireland in 06 we had 4 firsts with the champion and champion in the beginners class on the same day we had a first in the corrandulla show with a Ram lamb by Bawnogue Beaugatti and when roscrea sale came along a full brother came second in the novice class.

We entered the West of Ireland Club Championships in Corrandulla in 2007 and had success with 3 firsts. The same year we entered the south of Ireland national championship competition where we had a first in the hogget ram or older class won by a stock ram Carragh Casper a son of Glenho Glanza just as we thought the year could not get any better we won the Novice ram lamb class in Roscrea show and sale with Deburca Bounty .In 09 we had the champion ram lamb and Male champion and overall reserve champion Deburca Deezer an excellent ram with excellent pedigree and is one of our main stock rams.

Flock Competition

The Deburca flock entered the flock competition in 06 and 07 with great success .The first year we came first in the 0-30 group and also won the best new entrant the second year we moved up a group to the 30-50 and came second.

We enjoy having pedigree sheep and looking forward to our next crop of lambs every spring, always hoping for that elusive champion will arrive.

We retained only the best ewe lambs every year and feel that the females on offer are top quality.

Finally, we would like to thank everyone who supported me at this sale and wish them luck with their purchases.

Errigal Foreword

The Errigal Flock was established in 2008 with the purchase of good females from some of the country's best flocks. Over the years we have continued to purchase only the best genetics from leading flocks throughout Ireland and the United Kingdom. The flock has enjoyed numerous amount of success in shows and sales, both at local and national level. We won classes and championships at many shows throughout the North West and at the National Sheep Championships.

Some of our notable achievements include "Novice Ram Lamb" in Roscrea Premier Show and Sale 2010 and "National Champion" 2011. We also won "Male Champion" and "Champion Untrimmed Ewe" in 2012. In 2014, we had a "Champion Ewe Lamb" at Roscrea Premier Show and Sale and a "National Champion Ram Lamb".

Over the last three years a number of breeders from Ireland, U.K, Belgium and Germany purchased top quality females to join their flushing teams. Many breeders retained tup lambs from their purchases. This is an excellent batch of gimmers of which eight are in lamb to Rhaeadr Rhonn and two in lamb to Errigal Golden Horn.

Undoubtedly, this is an excellent opportunity for breeders to purchase some of the leading genetics in Europe.

I would like to thank Tom Bailey for having me as a part of his production sale for the last few years. It has been an honour and a privilege to be part of his sale. Wishing you all the best in the future from the Errigal Flock.

Finally, I would like to take this opportunity to thank all of our customers and friends for your continued support. I wish you well with your purchases.

Enquires Welcome,
